

Randonneurs USA P-12 AWARD APPLICATION

The P-12 Award is earned by riding a 100-199 km American randonneuring event in each of 12 consecutive months. The counting event sequence can commence during any month of the year, but must continue uninterrupted for another 11 months. If an event straddles two months (e.g., July 31st to August 1st), the counting month is that of the event's start date. Events that count toward the P-12 Award are RUSA-sanctioned populaire brevets, DART team events that are 199 km or less, as well as RUSA permanent populaires. A particular permanent populaire route can be ridden more than once per year to count for the P-12. Events longer than 199 km cannot be substituted as counting events for the P-12 Award.
