Full rules for the ULTRA-RANDONNEUR Award are at www.rusa.org and should be reviewed before submitting this application. Be sure your counting rides fall within the permissible types of events. A brevet of higher distance may be substituted for a shorter brevet, but fleche team rides do not count. A photocopy of the front & back covers of each brevet card (this has the event title, distance, date, and homologation number; the interior pages are not needed) must be included with the application unless a printout of the rider's event history from the RUSA web site is used. On the second page, record the date and homologation number earned after riding each event. Please follow the example given below. Any award application submitted without an event history printout or photocopies of brevet cards will be returned. Note: If some counting events were ridden before 1999 or were ridden in foreign lands, they will not be listed on the RUSA web site. If you lack the completed brevet cards for those events, contact the award coordinator below to discuss verifying your award claim.

PAYMENT: Make \$10 check payable to "Randonneurs USA" Mail to:
ULTRA-RANDONNEUR Award, c/o Jennifer Wise 10 Bliss Mine Road, Middletown, RI 02842

SAMPLE FORMAT—below each distance, list the DATE and underneath it, write the ACP or RUSA HOMOLOGATION NUMBER for that ride. (It will be found on the back of the brevet card after processing by RUSA and the event organizer.)
